Incomplete vehicles - means an assemblage consisting, at a minimum, of chassis (including the frame) structure, power train, steering system, suspension system, and braking system, in the state that those systems are to be part of the completed vehicle, but requires further manufacturing operations to become a completed vehicle. Also means an incomplete trailer. GVWR to							

What Type of Vehicle <u>Manufacturer</u> or <u>Alterer</u> is Your Company? (check all that apply) Note: if you are a completed vehicle or incomplete vehicle manufacturer, you must also submit VIN deciphering info under 49 CPR Part Sos

Campleted Vehicle Manufacturer - a manufacturer of vehicles that require no further manufacturing operations to perform their intended function Incomplete Vehicle Manufacturer - a manufacturer of incomplete vehicles, as defined above

Intermediate Manufacturer - a manufacturer (other than the incomplete vehicle manufacturer or the final-stage manufacturer) who performs manufacturing operations on a vehicle manufactured in two or more stages

Final-Stage Manufacturer - a manufacturer who performs such manufacturing operations on an incomplete vehicle that it becomes a completed vehicle

Alterer - a person who alters by addition, substitution, or removal of components (other than readily attachable components), a centified vehicle before the first purchase of the vehicle other than for resale

Instructions for Completing, Revising, and Submitting Your Information

49 CFR Part 566 requires that a manufacturer of motor vehicles and regulated motor vehicle equipment items submit to NHTSA not later than 30 days after manufacturing begins, information about the company and the products it manufactures. This suggested form will assist a manufacturer to comply with Part 566. Please complete the form by typing or clearly printing. Each manufacturer who has submitted this information must keep its entry current, accurate, and complete by submitting revised information not later than 30 days after the relevant changes in its business occur,
